

**AMERICAN SOCIETY OF CIVIL ENGINEERS
REGION 1 BOARD OF GOVERNORS**

Resolution 2006-02, September 17, 2006

WHEREAS; as part of ASCE's purpose to advocate lifelong learning and promote the profession of civil engineering, they provide many educational courses, technical sessions at conferences, webinars, and seminars for its members, and

WHEREAS; many of these opportunities are eligible for professional development hours (PDH's) or Continuing Education Credits (CEU's) and ASCE as an IACET provider provides certificates to the attendees attesting to the PDH's or CEU's attained, and

WHEREAS; the Division of Professional Licensing Services of the State Education Department of New York requires specific continuing education requirements (<http://www.op.nysed.gov/pe.htm>) for Professional Engineering licensees to maintain their licenses, and

WHEREAS; though IACET is an authorized provider of PDHs, not all ASCE sponsored programs may be acceptable to the NYS Division of Professional Licensing Services, and

WHEREAS; many members of Region 1 hold New York State Professional Engineering Licenses, and

WHEREAS; present advertising of ASCE programs and ASCE certificates are unclear as to the acceptability of the PDH's or CEU's for the maintenance of NYS Professional Engineering Licenses,

THEREFORE BE IT RESOLVED that ASCE consider adding to its advertising and certificates for continuing education a notation stating whether the program is acceptable to the NYS Division of Professional Licensing Services for the continuing education requirements of NYS Professional Engineering license renewal.

A resolution approved at our Region 1 Board of Governors Meeting in Lake George, New York on this 17th day of September 2006
